and requires the use of Canvas. All coursework is completed on Canvas using an internet enabled device. WileyPLUS of Grosvenor and Smolin Visualizing Nutrition: Everyday Choices 5th Edition is required for this course. All enrolled students are automatically enrolled in Follett Access, which allows WileyPLUS access through Canvas. Students will be billed \$65 to their student account. Students can opt out of Follett Access, but will then be responsible for getting WileyPLUS on their own, at a non-discounted price.

of this course. However, if you would also like to have a printed copy of the textbook, you could get a new one through the CCSF Bookstore option or a used one through any channel of your choice — older editions (e.g., 3rd edition) are fine. For course details, students must check the instructor site ( https://sites. google.com/mail.ccsf.edu/jsiekmann/home). For more information about CityOnline, please visit the

INSTRUCTOR

This hybrid section requires in-person meetings and the use of Canvas. In-person lab meetings will take place at the stated times on Ocean Campus. Students will also complete and submit coursework in Canvas, which must be accessed using an internet-enabled device. Lectures will be asynchronous through pre-re-corded videos, but exams will be given in-person on specific dates during the stated lab time, as well as one extra session for the final exam. Your instructor will provide the dates of these exams at the beginning of the semester. For course details, students must check the instructor's website at the instructor's website (https://sites.google.com/mail.ccsf.edu/glenn/home). For more information about CityOnline, please visit the CityOnline website (https://www.ccsf.edu/academics/online-learning/cityonline).

INSTRUCTOR

This class requires live online meetings and the use of Canvas with no required in-person meetings. Live online meetings require the use of CityZoom, Zoom's web conferencing platform in Canvas, using an internet enabled device. Students will also complete coursework in Canvas, which must be accessed using an internet enabled device. This class is part of CityOnline (https://ccsf.edu/cityOnline) and is 16 weeks. For student support and other services, students can check Welcome to CityOnline (https://ccsf.instructure.com/courses/39802/pages/welcome).

PE 7: Introduction to Athletic Coaching

Onl

TIMES

Asynchronous

This class has no scheduled meetings and requires the use of Canvas. All coursework is completed on Canvas using an internet enabled device. This class is part of CityOnline (https://ccsf.edu/cityonline) and is 17.5 Weeks. For course details, students must check the instructor's website (https://sites.google.com/

Students will have applied for a job in the photography department and can take this course to earn credit. Most CCSF Lab Aide jobs are limited to 15 hours a week during the semester.. More information on work experience classes. Learn more about jobs on the CCSF campus. (https://www.ccsf.edu/about-ccsf/ad-

INSTRUCTOR

VMD 194B is a work-experience course requiring application of visual media design skills and development of proficiency in a supervised work environment. One unit of credit is earned for each 60 hours of unpaid or 75 hours of paid work. Prospective students should have at least two semesters of VMD coursework completed. No regular class meetings, but students are required to meet via Zoom in the first week of class for an orientation.
